

CONSENT TO PETITION

This is a petition to the U.S. Attorney's office. It is called a Mandamus Action--to force a government employee to do his or her job. We are requesting that a Grand Jury is formed to investigate the evidence and claims of Targeted Individuals and to bring criminal charges against those responsible. If the U.S. District Attorney fails to form the Grand Jury, we may have grounds to sue.

Please list the cities where you have experienced directed energy weapons, V2K, or gangstalking:

Re: Petition to Report Federal Crimes to Special Grand Jury, Pursuant to 18 U.S.C. § 3332(a)

Dear [_____]:

Targeted Justice Inc., ("Targeted Justice"), a non-profit organization, hereby submits to you, as United States Attorney for the [_____] District of [_____] this Petition, and exhibits thereto, to report, and to provide factual information regarding, certain federal crimes that have been committed within your District and other Districts in the United States. These petitioners respectfully request that you submit this information to a special grand jury that is empaneled or will be empaneled. The United States Attorney has a duty pursuant to statute, 18 U.S.C. §

3332(a), to present to a special grand jury citizen reports of information regarding federal crimes.

The undersigned request that you submit this Petition, its attachments, and the information therein to an empaneled special grand jury pursuant to: a) 18 U.S.C. § 3332, b) the First Amendment to the United States Constitution (right to petition the government for redress), and c) the constitutional right to report crimes to a grand jury.

Further,

- 1) We insist the jurors are randomly selected. There can be no conflicts of interest, i.e. no law enforcement, legal, or personal acquaintances.
- 2) We insist on full transparency and accountability. The full text of the proceedings must be publicly available.
- 3) We insist on no gag orders or blaming the victims.

The mission of Targeted Justice is to expose and permanently end, the serious crimes occurring against Targeted Individuals, worldwide.
